

## Sample 2 Profile

---

Hello everyone,

My name is Edwin **Kemboi** Sutter, my colleagues and friends call me **Kemboi** and I am happy with that. Just call me **Kemboi**. I am currently pursuing a Master of Arts in Project Planning and Management.

### Educational Background

I pursued a Bachelor's degree in Mathematics (BSc Mathematics) at Kenyatta University from 1994 - 1998. During this time, I was privileged to be the pioneer student at the African Virtual University (AVU) where I pursued several computer courses.

I also have a Higher Diploma in Management Information Systems (MIS), Diploma in Management and Administration and an Advanced Diploma in Management Theory.

I am Prince® 2 and ITIL® V3 certified.

I have a BSc in Computer Science from the University of Hertfordshire, UK and several other qualifications from many other institutions abroad.

### Employment History

My first employment was a secondary school teacher in a rural school here in Kenya where I taught Computer Studies for 6 years from 1999 to 2005.

Thereafter I worked as an IT professional at the IT department in the Ministry of Health headquarters where I rose to the position of Head of ICT in the Ministry until January this year.

I am a strong believer in e-learning since the first time I undertook e-learning at the African Virtual University (AVU) at Kenyatta University in 1996.

Since then I have pursued several online courses.

### Family Life

I am married with two beautiful daughters and two handsome sons. During my free time, I love just talking, playing and joking with my children. It makes me feel wonderful that am bringing up a responsible generation.

### Entrepreneurship

I am an investor in my home town.

### Travel Life

I have had the opportunity to travel to the four corners of this world including down under (Australia)
